

## Feed back on Competency Models

Thank you very much for inviting me to your very informative presentation regarding Weld-Ed. I was telling my boss, Dawn Bravo, about the Weld-Ed initiative (or at least trying to; much detail!). Did you not say the DVD containing your PP will/is available upon request? If so I would appreciate it if I could provide her with a copy of it. I was impressed. Mike Stewart, Industry Relations Director, Tulsa Welding Schools.
